

The Presidents Corner

March 12th, 2018

So far this season, we have seen club growth, tremendous turnout for our mini rallies, and a great attendance for our election meeting.

In addition to our already growing number of sponsors, we have been able to reach out to various vendors for club discounts. One of the newest vendors is Valco Industries, the manufacturer of the EZ Step for Jeeps, as seen on a few of our Jeeps in the membership. If you are interested in the step, please follow the link within this letter. I am confident that we can negotiate a favorable price if we purchase as a group rather than individually. The price I was quoted is \$102.50 per unit. Please contact me for more information at donphelps1949@gmail.com or 503-310-2501

Welcome to our new officers, Tim Kash Vice President, Kathy Silvers Secretary and Sam Ramsey Treasurer. Thank you all for your continued support and a great 2018 season.
