

The Presidents Corner

August, 2018

Hello everyone,

I hope everyone is enjoying their summer. As Sharon and I travel, we have discovered that if you don't book your summer arrangements well in advance, you may miss out on some great scenery and fantastic off road activities. That being said, I am proposing a summer get together at some point during the summer of 2019 in Buena Vista, CO.

We are about to make our reservations from June through September in Buena Vista at Mt. Princeton RV and would like to invite any and all to join us for a day, week, month, or the summer. I have spoken with the management about individual and group rates as well as cabins for those who don't have an RV. I have also posted many photos of our excursions and other posts on our Happy Trails 4 Wheel Drive Club webpage on Facebook.

If you have any interest in coming to Colorado for some great scenery, club gatherings, fishing, sightseeing, hiking, biking, small town flavor, and 4 wheeling in Buena Vista, reservations will need to be made soon as the area is booking up fast. Reply to me at donphelps1949@gmail.com for more information.

Stay well, keep safe and see you in Moab or next season at Happy Trails.
