**Class 4 “Hard”**: Four-wheel-drive required, usually in low range. Greatest amount of ground clearance is necessary due to moderate-sized rocks and obstacles. Jacks and winches advised just in case you have a problem.

Most of the route is easy to moderate: however, there are difficult places that will challenge stock wranglers. The trail from Hiway 74 to Crown King is 34,4 miles and takes 4 to 5 hours. An all day trip from Happy Trails and back.
