

HAPPY TRAILS 4-WHEEL CLUB

Our President Sam Ramsey was advised by Activities that all the meeting rooms within Happy Trails Resort are closed throughout December due to the Corona Virus. Our club will **not** have a monthly meeting in December.

Our club will be gathering at the Wild Horse on their outdoor patio for lunch and beverage on Tuesday, December 8, 2020 at 1:00 PM. Masks and Social Distancing

is advised. 

Our rides will continue as posted on the website calendar and posters will be sent out with details of each ride.

Some of our trails are on Arizona State Land & Trust. They require a permit to enter on their land. We have on our website a link to the on-line permits. Their permit application is very easy to fill out and best of all, you print out your permit.

These permits are good for one year from the time you pay for it. You have a choice of (single \$15) or (family \$20) permit. You will find an explanation of these permits on the first page. Single is one person, not vehicle. Family is a couple and two kids. Kids optional 😊.

Sam
