

# The Presidents Corner

January 9<sup>th</sup>, 2018

With the holidays behind us, it's time to look ahead. We have a new watering hole, Booty's on Bell and Reems which so far has been a success. As you explore our website calendar you may notice things other than trail rides.

Thursday is our annual Ladies Ride followed by an optional tour to the Vulture Mine south of Wickenburg. Monday the 15<sup>th</sup> is our first AED training class followed by a second class on the 26<sup>th</sup>. Also on January 19<sup>th</sup>, we will have a presentation from Liberty Wildlife at NC II educating us with live raptors. This is a free event but donations will be gladly accepted. The annual Club Fair will be at the Town Center on January 26<sup>th</sup>, giving us an opportunity to display our Jeeps and encourage possible new members.

February 21<sup>st</sup>. is a trip to the Arizona Opry lunch matinee beginning at 11:30 AM. March 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup>. are the annual Cottonwood/Sedona trail rides, a two night three day event that should provide a flavor of different trails to explore.

We currently have 44 paid members in our club. Thank you all for your help, participation, and support.
