

# The Presidents Corner

April 19, 2018

As our regular season winds down we are reminded how much we appreciate what we have within our club. With 48 members this last season, we have found new friends, said goodbye to some old friends and managed to spark some real humor during our travels both in the outback and at our meetings.

We have explored new trails, done old trails backwards, got lost, got found, played with cow pies, spiders, lizards and a couple rattlesnakes (the crawling kind), all in good humor with great times. We have done things blindfolded that some people would think as bazaar and received an award for it at the same time.

All in all, I personally want to thank all of you for your contributions for a great season, fun, laughter, and friendship. Also a special thanks to our club officers, trail leaders, and tail gunners for all their hard work and dedication.

Wishing everyone safe travels during the summer with a chance to meet up once again at one of our gatherings and/or club rallies in Ouray and Moab. See you in November if not before.

Don Phelps-Club President
