

# The Presidents Corner

August 16th, 2019

First this month, we would like to congratulate Mike and Linda Maul for the purchase of property in North Carolina. Unfortunately they will miss Moab this year. Secondly, congratulations to Gary and Linda Conard for the purchase of their new (to them) 2017 JKU Rubicon (yup, it's a 4 door). They are working on a lift and some other goodies to be ready for Arizona this next season.

For Sharon and I, we have been treated to several rallies here in Buena Vista. First was a national Bronco Rally with a ton of vintage 1960 to 1970 Bronco's visiting the area. Next was the Mile High Jeep Club with about 400 Jeeps in attendance along with a variety of vendors filling the local fairgrounds. The last rally is the FMCA 4 Wheelers with roughly 45 Jeeps attending this next week. Lots of Jeeps to look at with various combinations of accessories (eye candy) installed.

It looks like our plans are set in place for Ouray; John Shurtz will be the coordinator and trail leader, and Moab where Ben and Sid Gaver and Sharon and I will co-host that event. We look forward to seeing everyone in Moab as we won't be able to attend Ouray.

Until next month, be safe and enjoy your summer travels. We hope to see all of you in Happy Trails this next season

Don Phelps-Club President
