

The Presidents Corner

December, 2018

Merry Christmas and Happy New Year

It has been an interesting season so far with an advanced ride schedule, new trail leaders, two first aid kits for split rides, split rides on the same day with a mix that everyone can enjoy, our own AED and over 28 members qualified for CPR and AED use. It's great to see everyone involved in our club activities. Your participation is genuinely appreciated.

Thank you all for your continued support in our great club. Wishing everyone safe travels, good health, and a great 2019 season ahead.
