

The Presidents Corner

January 21st, 2020

This month marks a step into another new year with lots of things planned ahead. We have an Amazon tour planned as well as a Lake Pleasant Dinner Cruise (Contact Kris Miller). There is an overnight trip to Kingman in the works (Contact Tim Kash), as well as more fun rides on our calendar.

In both February and March, we will have a ladies day ride led and driven by the ladies of our club. The first on February 20th will include a club sponsored BBQ lunch with Dick Rice as our chef.

As you may know and as reported recently, we all will eventually need a State Trust Land Permit. They can be purchased on-line via our website. It is recommended that you purchase a family permit for more than one person. A single permit is only good for one person, not the vehicle. Our trails will eventually cross or require a stop on state Trust Land. The \$20 family permit is good for one year from date of purchase and must be carried in the vehicle as well as visibly displayed when stopped. It's not worth the fine when caught without one.

We still have an opportunity to schedule an AED/CPR class. Please contact me at donphelps1949@gmail.com if you are interested. We need at least 10 to attend to have an exclusive class.

March is election month. Contact Nancy Strand, Kathi Shurtz, Carol Carter, or Sarah Till if you have an interest in any one of the officer positions.

As always, be safe, plan well, watch for critters, and enjoy our great club.

Don Phelps

Club President
