

# The Presidents Corner

November 19th 2019

This month marks another great reason to be thankful. Thankful for our health, our friendship, and our ability to do the things we do at our age (not that we are getting older, but).

It is also time to think about our club dues which should be paid at your earliest convenience to Sam Ramsey or Tim Kash. Sam is recovering from a recent episode which caused him to spend a night or two in the hospital. We wish Sam a speedy recovery and a hearty GET WELL!

As the weather changes, so does our schedule for trails. We will post any changes due to weather or trail conditions in an email and on our website.

Please wear your name badges at all club functions so new members can get to know you, and it's a rule we all should follow.

Don't forget to mark your calendars for our club potluck and meeting December 13<sup>th</sup> 2019 at NC-I at 5:00 PM

Wishing everyone a Happy Thanksgiving

Don Phelps-Club President
